- 🇬🇧 English (fluent)
- 🇩🇪 German (basic)

PROFESSIONAL SUMMARY

Business Intelligence & Automation Engineer with 4+ years of experience designing enterprise automation solutions, ETL pipelines and SAP integrations within a manufacturing environment. Skilled in Python, SQL, Power BI and Power Query, delivering scalable solutions that reduce manual effort, improve data quality and support Tax and Customs operations.

PROFESSIONAL EXPERIENCE

RPA Developer & Automation Specialist – Elvalhalcor (Viohalco Group)

Jun 2022 – Present

Responsible for enterprise process automation, ETL development and SAP integrations supporting Tax and Customs operations.

Tech: Python · Power Query · Power Automate Desktop · Power Automate Cloud · SAP GUI

SELECTED ACHIEVEMENTS

Matching Invoice with MRN through AADE AES 🔗

- Integrated AADE AES and SAP data sources to identify unmatched export invoices.
- Automated MRN entry into SAP for each unmatched invoice, eliminating manual updates.
- Achieved 95% reduction in execution time and 100% data accuracy.

Import Customs Declaration Processing 🔗

- Integrated ICISnet and SAP data to identify unregistered import declarations.
- Automated XML processing, SAP posting and PDF attachment for each unregistered import.
- Achieved 30% reduction in execution time and 100% data accuracy.

Customs Compliance Documentation Submission

- Automated splitting of consolidated Excel into individual PDFs, retrieval from SAP and submission to ICISnet with SAP status update.
- Implemented fault-tolerant resume logic ensuring continuity after interruption.
- Achieved 50% reduction in execution time. 2,240 entries for 2024 completed in 1 month instead of 2.

Supplier Invoice Reconciliation Engine (Matching Report) 🔗

- Built multi-source reconciliation across ELVALHALCOR datasets with 5-category matching on VAT ID, date, amount and reference.
- Detected additional unmatched transactions not identified by the existing company mechanism.

Employee Company Car Tax Calculation

- Automated extraction and normalization of vehicle data from multiple supplier files and SAP account movements.
- Calculated per-employee taxable amounts based on months of vehicle usage, achieving 100% calculation accuracy.

Distributor & Sales Assistant – Aspida Dianomes S.A.

May 2019 – May 2021

- Distribution operations and client payment reconciliation.

Junior Category Manager (PPE) – Würth Hellas S.A.

Jun 2016 – Jul 2017

- Created and launched the company's PPE product category, contributing to 90% year-over-year revenue growth.
- Developed pricing strategy, negotiated with suppliers and trained a network of 160 salesmen on new product activations.

Marketing Internship – Würth Hellas S.A.

Jan 2015 – Jun 2015

- CLV-based client segmentation project in collaboration with the CEO.
